ENGLISH

Please read this manual before using the device to ensure safe and proper use.

Note: Wireless charging option is only possible if the Type-C cable is connected. Also, the adapter must be at least 9V/3A.

Important: only use included accessories or certified and tested accessories to charge this device. Using third party accessories can influence the item safety.

DEVICE LAY-OUT:

1. Magnetic charge pad for phone*

2. Charge pad for earbuds**

3. Type-C input

4. USB-A output

5. LED indicator of phone charging

6. LED indicator of wireless earbuds charging

*Only compatible with smartphones that support magnetic wireless charging.

**Only compatible with earbuds that support wireless charging.

SPECIFICATIONS

Type-C Input: 9V/3A

Wireless charging output for phone: 5W/7.5W/10W/15W

Wireless charging output for earbuds: 5W

USB-A output: 5V/1A

USING THE WIRELESS CHARGER

- First plug the wireless charger using the included Type-C cable into the USB port of your wall adapter.
- Make sure your phone & earbuds are compatible with wireless charging.
- Put your wireless charging enabled phone on the wireless charging surface (1) and your wireless charging enabled earbuds on the wireless charging surface (2).

WARNING!

- Do not vigorously shake, hit or throw the product.
- Do not place or use the product at high temperature or in a humid environment.
- Some phone cases may block the wireless charging.
- Do not place other materials, like metal objects, magnets, and magnetic stripe cards, between the mobile device and the wireless charger pad.
- Check your mobile device's battery percentage using the charging icon displayed on the screen of your phone.
- When the mobile device is not placed on the charging surface accurately, your mobile device may not charge properly.
- If you use the wireless charger in areas with weak network coverage, you may lose your network reception.
- Please do not expose this device to moisture or heat sources.
- This is not a toy, not suitable for children under the age of 7.
- Only use included or certified accessories (cables, chargers) to use the item. Unsafe cables or chargers can influence the safety of the item.

Explanation WEEE logo:

ENGLISH

The crossed-out wheeled bin symbol indicates that the item should be disposed of separately from household waste. The item should be handed in for recycling in accordance with local environmental regulations for waste disposal. By separating a marked item from household waste, you will help reduce the volume of waste sent to incinerators or land-fill and minimize any potential negative impact on human health and the environment.

DUTCH

Het doorgestreepte afvalbak-symbool geeft aan dat het item apart moet worden weggegooid van het huishoudelijk afval. Het item moet worden ingeleverd voor recycling volgens de lokale milieuregels voor afvalverwerking. Door een gemarkeerd item te scheiden van huishoudelijk afval, helpt u het volume van afval dat naar verbrandingsovens of stortplaatsen wordt gestuurd te verminderen en eventuele mogelijke negatieve effecten op de menselijke gezondheid en het milieu te minimaliseren.

GERMAN

Das durchgestrichene Mülltonnensymbol zeigt an, dass der Gegenstand getrennt von Hausmüll entsorgt werden sollte. Der Gegenstand sollte gemäß den örtlichen Umweltvorschriften zur Abfallentsorgung zum Recycling abgegeben werden. Indem Sie einen gekennzeichneten Gegenstand vom Hausmüll trennen, helfen Sie, das Volumen des Mülls, der in Verbrennungsanlagen oder Deponien landet, zu reduzieren und mögliche negative Auswirkungen auf die menschliche Gesundheit und die Umwelt zu minimieren.

FRENCH

Le symbole de la poubelle barrée indique que l'objet doit être éliminé séparément des déchets ménagers. L'objet doit être remis au recyclage conformément aux réglementations environnementales locales en matière d'élimination des déchets. En séparant un objet marqué des déchets ménagers, vous contribuerez à réduire le volume des déchets envoyés aux incinérateurs ou aux décharges et à minimiser tout impact négatif potentiel sur la santé humaine et l'environnement.

FRENCH

Le symbole de la poubelle barrée indique que l'objet doit être éliminé séparément des déchets ménagers. L'objet doit être remis au recyclage conformément aux réglementations environnementales locales en matière d'élimination des déchets. En séparant un objet marqué des déchets ménagers, vous contribuerez à réduire le volume des déchets envoyés aux incinérateurs ou aux décharges et à minimiser tout impact négatif potentiel sur la santé humaine et l'environnement.

SPANISH

El símbolo de la papelera tachada indica que el artículo debe desecharse por separado de los residuos domésticos. El artículo debe entregarse para su reciclaje de acuerdo con las regulaciones ambientales locales para la eliminación de residuos. Al separar un artículo marcado de los residuos domésticos, ayudará a reducir el volumen de residuos enviados a incineradoras o vertederos y minimizar cualquier impacto negativo potencial en la salud humana y el medio ambiente.

SWEDISH

Den överstrukna soptunnan symbolen indikerar att föremålet ska kastas separat från hushållssopor. Föremålet ska lämnas in för återvinning enligt lokala miljöregler för avfallshantering. Genom att separera ett markerat föremål från hushållssopor hjälper du till att minska mängden avfall som skickas till förbränningsanläggningar eller deponier och minimera eventuella potentiella negativa effekter på människors hälsa och miljön.

ITALIAN

Il simbolo del bidone della spazzatura barrato indica che l'oggetto deve essere smaltito separatamente dai rifiuti domestici. L'oggetto deve essere consegnato per il riciclo in conformità con le normative ambientali locali per lo smaltimento dei rifiuti. Separando un oggetto contrassegnato dai rifiuti domestici, contribuirai a ridurre il volume di rifiuti inviati agli inceneritori o alle discariche e a minimizzare eventuali potenziali impatti negativi sulla salute umana e sull'ambiente.

POLISH

Przekreślony symbol kosza na kołach wskazuje, że przedmiot powinien być usuwany oddzielnie od odpadów domowych. Przedmiot powinien zostać dostarczony do recyklingu zgodnie z lokalnymi przepisami dotyczącymi ochrony środowiska w zakresie utylizacji odpadów. Poprzez oddzielenie oznaczonego przedmiotu od odpadów domowych, pomożesz zmniejszyć ilość odpadów wysyłanych do spalarni lub składowisk i zminimalizować potencjalne negatywne skutki dla zdrowia ludzkiego i środowiska.
